

Kerrith Harris

Executive Coach

Kerrith gained extensive business experience at PwC, both within the management consultancy and audit practices, in a range of HR roles. Having spent over 15 years working on projects focusing on organisational and behavioural change, she transitioned into consultancy in 2000. Kerrith has developed an impressive client base within blue chip organisations and understands fully how clients can stand out and excel.

Coaching Style

Kerrith is a highly skilled Executive and Career Coach with a “trained ear” who is able to build confidence, motivate others to realise their ambitions. Careers are often at the heart of their coaching conversations, whether it is to navigate a career cross roads, prepare for promotion, build leadership capability or step-up into a new role. Kerrith works in partnership with her clients to develop action plans, identify and realise goals. Experienced in both 1-2-1 and group interventions. Kerrith’s clients get results.

Three words which describe Kerrith are: motivational, pragmatic and solutions focused.

Special Interests

Clients value Kerrith for her engaging style, problem-solving, sense of realism and ability to draw on a rich business background. Areas of expertise include:

- Career management, helping clients realise career aspirations through in-depth review of core values, drivers, motivators and skills
 - Facilitating change, motivating and encouraging people to “think outside the box” and actively seek out opportunities
 - Confidence building, positive thinking and motivational work
 - Exploring career options and creating opportunities
 - Building and promoting a personal brand and improving personal effectiveness
 - Insightful support to professionals needing to differentiate themselves in a competitive market
 - Maternity and parental coaching
-
